

On behalf of a privately owned and well-funded property and development company, we are currently seeking sites to satisfy the following requirements:

Requirements:

- Sites for the development of Convenience stores with or without car parking and can include other uses on larger sites.
- Petrol filling stations with convenience store which may include other uses such as Drive Thru's, budget hotels, unit shopping, pubs etc.
- Neighbourhood/District Centres anchored by a convenience store and may include several small shops and/or other uses.
- Larger sites may be considered to include the above and may extend for further residential or commercial development.
